- If referee does not obtain the prescribed criteria levels.
- Consistent recommendations to a LOWER LEVEL from members of the Executive and / or Performance Reviewers.

GRADING METHODS FOR PROMOTION OR DEMOTION – APPROVED 01-10-2013

- a) Calculate the average score of the referee scores.
- b) Take the last 3 assessments closest to the date of the match reviewing meeting and calculate an average score of those applicable reports.
- c) Remove the highest mark and remove the lowest mark. Then obtain an average score of all the remaining scores
